Adult RE Course “Building Your Own Theology”
Begins 1/11/09

How about setting aside some time this winter to wrestle with the BIG questions? Conveniently scheduled to commence after we've been primed by a compelling worship service and nurtured by the conversation and nosh of fellowship time, "Building Your Own Theology (BYOT)" offers the opportunity to dig deep into what we believe. . .

"Based on the assumption that everyone is their own theologian, this classic Unitarian Universalist adult education program invites participants to develop their own personal credos - the fundamental religious beliefs, values and convictions that inform and direct the living of their lives. Author/minister Richard S. Gilbert poses five developmental tasks in which participants come to terms with human nature, ultimate reality, history, ethics and religious meaning. Course begins with a focus on our seven UU Principles."

This 10-week course will be condensed to nine sessions and will meet on the following Sundays (right after the post-10:30 service fellowship time) at Art Reach:

January 11, 18 & 25
February 1, 8, 15 & 22
March 15 & 22
