

**Unitarian Universalism
7 Principles**

1: The inherent worth and dignity of every person;

2: Justice, equity and compassion in human relations;

3: Acceptance of one another and encouragement to spiritual growth in our congregations;

4: A free and responsible search for truth and meaning;

5: The right of conscience and the use of the democratic process within our congregations and in society at large;

6: The goal of world community with peace, liberty, and justice for all;

7: Respect for the interdependent web of all existence of which we are a part.

Preamble:

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote a living tradition that is grounded in love and that calls us to the work of justice.

Sacred Song #123: "Spirit of Life"

Spirit of Life, come unto me.

Sing in my heart

all the stirrings of compassion.

Blow in the wind, rise in the sea;

move in the hand,

giving life the shape of justice. Roots

hold me close; wings set me free; Spirit

of Life, come to me, come to me.
