

Preamble:

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

Unitarian Universalism 7 Principles

- 1: The inherent worth and dignity of every person;**
- 2: Justice, equity and compassion in human relations;**
- 3: Acceptance of one another and encouragement to spiritual growth in our congregations;**
- 4: A free and responsible search for truth and meaning;**
- 5: The right of conscience and the use of the democratic process within our congregations and in society at large;**
- 6: The goal of world community with peace, liberty, and justice for all;**
- 7: Respect for the interdependent web of all existence of which we are a part.**

These seven principles were the defining statement of UU values from their adoption in 1984 until their revision in 2024, and still represent a core philosophy of our faith.

Song #123: “Spirit of Life”

*Spirit of Life, come unto me.
Sing in my heart
all the stirrings of compassion.
Blow in the wind, rise in the sea;
move in the hand,
giving life the shape of justice.
Roots hold me close; wings set me free;
Spirit of Life, come to me, come to me.*

Chalice Extinguishing

*We extinguish this flame,
but not the light of truth,
the warmth of community,
or the fire of commitment.
These we carry in our hearts
until we are together again.*
