August 25-26, 2021  
MINUTES  
DRAFT

An e-mail request to vote was sent out on Wednesday, August 25, at 10:14 pm, for the following two motions:

Norma Bailey moved, and Guy Newland seconded, that the COVID guidelines for worship services (attached) be continued through the month of September with the following modification: the choir will be allowed to sing, with masks, with their numbers to be included in the total number of people allotted for each Sunday.

Norma Bailey moved, and Guy Newland seconded, that certain rooms of the building (sanctuary, Fellowship Hall, kitchen, and green room) can be rented to outside groups, but there must be six hours between any two events (our meetings or outside rentals).

Both motions were approved through e-mails received from all Board members on Thursday, August 26.

Respectfully submitted,

Norma Bailey
