

The Seven Principles of Unitarian Universalism

We covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

Proposed 8th Principle:

- Journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.

– OUR MISSION –

*To be a religious community guided by love,
transforming our lives and our world.*

“Listen more often to things
than to beings
'Tis the ancestors' breath
When the fire's voice is heard
Tis' the ancestor's breath
In the voice of the waters.”

#123 "Spirit of Life"

Spirit of Life, come unto me.

Sing in my heart all the stirrings of compassion.

Blow in the wind, rise in the sea,

Move in the hand, giving life the shape of justice.

Roots, hold me close; wings, set me free.

Spirit of Life, come to me, come to me.

the warmth of community,
or the fire of commitment.

until we are together again.*
