

The Seven Principles of Unitarian Universalism

We covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

Proposed 8th Principle:

- Journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.

– OUR MISSION –

To be a religious community guided by love, transforming our lives and our world.

Open Arms • Open Minds • Open Hearts

"Every gun that is made, every warship launched, every rocket fired signifies in the final sense, a theft from those who hunger and are not fed, those who are cold and are not clothed.

This world in arms is not spending money alone. It is spending the sweat of its laborers, the genius of its scientists, the hopes of its children. This is not a way of life at all in any true sense. Under the clouds of war, it is humanity hanging on a cross of iron."

#123 "Spirit of Life"

Spirit of Life, come unto me.

Sing in my heart all the stirrings of compassion.

Blow in the wind, rise in the sea,

Move in the hand, giving life the shape of justice.

Roots, hold me close; wings, set me free.

Spirit of Life, come to me, come to me.

Chalice Extinguishing

Please read together:

*We extinguish this flame
but not the light of truth,
the warmth of community,
or the fire of commitment.
These we carry in our hearts
until we are together again.*
