

## The Seven Principles of Unitarian Universalism

We covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

### **Proposed 8th Principle:**

- Journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.

#123 "Spirit of Life"

*Spirit of Life, come unto me.*

*Sing in my heart all the stirrings of compassion.*

*Blow in the wind, rise in the sea,*

*Move in the hand, giving life the shape of justice.*

*Roots, hold me close; wings, set me free.*

*Spirit of Life, come to me, come to me.*

### **Chalice Extinguishing**

*We extinguish this flame  
but not the light of truth,  
the warmth of community,  
or the fire of commitment.  
These we carry in our hearts  
until we are together again.*

### **Benediction**

### **The Feast of Lights**

Kindle the taper like the steadfast star  
Ablaze on evening's forehead o'er the earth,  
And add each night a lustre till afar  
An eightfold splendor shine above thy hearth  
Clash, Israel, the cymbals, touch the lyre,  
Blow the brass trumpet  
and the harsh-tongued horn;  
Chant psalms of victory till the heart take fire,  
The Maccabean spirit leap new-born.
