

The Seven Principles of Unitarian Universalism

We covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

Proposed 8th Principle:

- Journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.

– OUR MISSION –

*To be a religious community guided by love,
transforming our lives and our world.*

“You could have golden treasure buried beneath your feet, and walk over it again and again, yet never find it because you don’t realize it is there. Just so, all beings live every moment in the city of the Divine, but never find the Divine because it is hidden by the veil of illusion..”

Chalice Lighting

*Each time we light the chalice
we renew our commitment to our Unitarian
Universalist faith.*

*With the spark of a match, we make it new again –
as fresh and surprising as the first day
we encountered this spiritual community
and realized we were home.*

We light this chalice for Renewal of our faith

Hymn

#123 "Spirit of Life"

*Spirit of Life, come unto me.
Sing in my heart all the stirrings of compassion.
Blow in the wind, rise in the sea;
move in the hand, giving life the shape of justice.
Roots hold me close; wings set me free;
Spirit of Life, come to me, come to me*

Chalice Extinguishing

Please read together:

*We extinguish this flame
but not the light of truth,
the warmth of community,
or the fire of commitment.
These we carry in our hearts
until we are together again.*
