

The Seven Principles of Unitarian Universalism

We covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

Proposed 8th Principle:

- Journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.

– OUR MISSION –

*To be a religious community guided by love,
transforming our lives and our world.*

“Let religion be to us the wonder and lure of that which is only partly understood: an eye that glories in nature’s majesty and beauty, and a heart that rejoices in deeds of kindness and courage.”

Opening Song

#361 "Enter, Rejoice and Come In"

Chalice Lighting

In-person congregation, please read together:

*The fire of love burning deep in every
human heart calls us to awaken!*

*Awaken to the work of justice;
Awaken to the work of compassion;
Awaken to the work of community!*

*For in this time of human suffering
and exaltation
we are called beyond awakening into action!*

*May the chalice flame we now light
guide our hearts in service to a greater good
that holds all living things in its holy embrace.*

#123 "Spirit of Life"

*Spirit of Life, come unto me.
Sing in my heart all the stirrings of compassion.
Blow in the wind, rise in the sea;
move in the hand, giving life the shape of justice.
Roots hold me close; wings set me free;
Spirit of Life, come to me, come to me.*
