

The Seven Principles of Unitarian Universalism

We covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

Proposed 8th Principle:

- Journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.

– OUR MISSION –

*To be a religious community guided by love,
transforming our lives and our world.*

Greeting Time

Chalice Lighting

*Blessed is the fire that burns deep in the soul.
It is the flame of the human spirit touched into being
by the mystery of life. It is the fire of reason; the fire of
compassion; the fire of community; the fire of justice;
the fire of faith. It is the fire of love burning deep in
the human heart; the divine glow in every life.*

Sacred Song

#123 "Spirit of Life"

*Spirit of Life, come unto me.
Sing in my heart all the stirrings of compassion.
Blow in the wind, rise in the sea;
move in the hand, giving life the shape of justice.
Roots hold me close; wings set me free;
Spirit of Life, come to me, come to me.*
