

The Seven Principles of Unitarian Universalism

We covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

A whole new version of UU values has been proposed, as represented in the graphic below.

Welcome and Greeting Time

Chalice Lighting

"Our Shared Hope for the World"
- Pat Uribe-Lichty

*The chalice we light today is a symbol of our faith.
It binds us together as one people:
a reminder that our strength is in our
shared hope for the world,
and that our common work is the creation
of Beloved Community
among ourselves and in the world.*

#123 "Spirit of Life"

*Spirit of Life, come unto me.
Sing in my heart all the stirrings of compassion.
Blow in the wind, rise in the sea;
move in the hand, giving life the shape of justice.
Roots hold me close; wings set me free;
Spirit of Life, come to me, come to me.*

*We extinguish this flame
but not the light of truth,
the warmth of community,
or the fire of commitment.
These we carry in our hearts
until we are together again.*
