

## RE Garden Care Sign-Up

Spend part of your Sunday watering, weeding, and showing our RE Garden some love!  
All produce will go to the Isabella Community Soup Kitchen, and children will get to see their hard effort result in (hopefully) lots of veggies!

*\*Instructions for watering:* The spout for the hose is behind the bushes on the wall left to the church entrance. The hose can be hooked up there, then connected to the second hose laying in the garden on the right side of the church entrance. This second hose reaches the RE garden.  
(Pictures to come!)
